

Mission of AOMT

The mission of Association of Ohio Music Therapists is to serve as an educational resource and advocate for the profession. In following the mission of AOMT, the organization strives to maintain the following core values:

- Providing educational and networking opportunities to enrich music therapists and the field of music therapy.
- Advocating for the profession and music therapists within the state.
- Educating consumers and the community at large.
- Promoting the exchange of ideas to assist music therapists and other related professionals in better meeting the needs of their clients.
